The Rise of the Phoenix

*They said it couldn't be done,
but Colin proved them wrong!*

Lunch with Colin Grey OAM

Australian Story Personality – Aviation Archeologist
– Curator of Aircraft

An audio visual presentation of the highlights and challenges of salvation and restoration on a grand scale.

Do you have an old car wreck languishing in your shed?

Do you know how to bring it back to life?

Take this opportunity to listen to Colin Grey who will share with you the benefit of his knowledge and experience.

The principles apply whether you are restoring a piano or an aeroplane.

His stories are fascinating and inspiring.

\$22 per head

includes a **light lunch** served in the Vung Tau room;
audio visual presentation by **Colin Grey**;
guided tour around the Museum workshop & the Museum exhibits;
view holographic **Light & Sound Show**.
